FOR RETURNING FAMILIES

Online Registration Guide for Returning Families

This guide is for families who have students currently enrolled in Des Moines Public Schools. If you have any questions during online registration, please contact the main office of your student's school building. If your students are not currently enrolled in a DMPS school, please contact the Welcome Center at 515.242.7371 or visit them at 2100 Fleur Dr. to register your student(s).

To begin online registration, you must log into your parent portal and use the online registration link found in the lower left hand corner. If you cannot remember your username or password, you may use the "Forgot your username?" or "Forgot your password?" link found on the login page of the portal, or you may contact the main office of your student's school building.

Online registration works best on a computer with Mozilla Firefox or Google Chrome. Please note that using the forward or backward buttons on your browser can cause complications once registration has begun.

Getting Started

Visit www.dmschools.org and click on the Infinite Campus link to be directed to the parent portal login page. Log into your account and click on the Online Registration link.

Please take a moment to review that all of your students are listed and that you are selecting the appropriate registration year school year. Then click Begin Registration. Next, select your preferred language. You will then be prompted to review the authentication application agreement. Enter your first and last name and draw an electronic signature to indicate you are authorization to enter the data regarding the student(s) in the application and then click submit.

The online registration application will pull your data from the school's database into your application. It should take approximately 15-20 minutes to review and update any changes depending on the number of students in your household. Online registration is divided into sections. Each section has a series of pleats used to collect and review data. You must review or complete every pleat in each section before clicking on Save/Continue to proceed to the next section.

If the name of a parent, emergency contact, other household member, or student is highlighted, you will have review the information. You should review each pleat in the section until you reach the end to make sure all required information is entered. The blue Save/Continue button will save your work from each section, but you will be unable to save until you have completed each pleat in the section.

Student(s) Primary Household

1. Home/Primary Phone
 - Review/Edit the Home/Primary Phone
 - This can be a home number or a cell phone, whichever you prefer to be the main number for your household.
 - If you would like to include text messages in your contact methods, please check the appropriate boxes.
 - You will need to check the box to agree to the statement about text messaging fees.
 - Review the question in regards to if your student is a DMPS student or an out of district student. Answer the question appropriately. Select No, if your student will be attending only a DMPS school for the registration school year. Select Yes, if your student primarily attends another school in another school district and will be attending a DMPS School such as Central Campus for the registration school year in addition to their primary home school.
 - Click next to continue.

2. Household Economic Information
 - DMPS collects this information so that the district and your school have accurate information about the percentage of students who are considered to be low income. This information may help the school or district qualify for certain state and federal funds. It also provides the information needed for the district to determine eligibility for fee waivers for individual students.
 - Select your household size. You must include yourself and all people living in your household who share income and expenses.
 - Choose your total annual household income range.
 - Answer the question about if the information gathered regarding household income or eligibility for free meals may be used to determine if your child qualifies for a fee waiver.
 - Type your name in the signature box to certify that the information provided on this pleat is true, and that you have included all income.
 - Click next to continue.

3. Home Address
 - If the address is current, click next to continue.
 - If the address is no longer current, check the box. Enter a date for the address change, and add your current address.
 - If you enter a new address, you will be required to provide proof of residency to your student's building. Click on OK to agree.
 - You can upload the proof of residency here in the application or you may take the proof of residency to any of your student's school's main office. To upload the proof of residency, which is required for any students entering Kindergarten, sixth grade, or ninth grade and any student with a change of address, click on the blue upload proof of residency button, and follow the prompts to upload.
 - Click next to continue.

4. Mailing address
 - You can choose to receive mail at your primary home address, or at another location such as a P.O. Box or a place of business.
 - If you do not have a separate mailing address, leave the box checked and click save/continue.
 - If you do have a separate mailing address, uncheck the box, and enter the mailing address. If you are using a P.O. Box, click the box next to Post Office Box and only fill in the number, city, state, zip code, and country.
 - Click next to continue.

- Click the Save Continue button.

4. Click on any remaining parent/guardian if applicable to edit and review the data.

Emergency Contact

The district requires at least ONE emergency contact, which cannot be a parent/guardian. If you wish to have a different emergency contact for each student, please enter all of them here. You can assign each emergency contact to a student in the student section of online registration. You will be required to provide at least one phone number for each emergency contact, and can provide their address. Their address will only be used to prevent duplicates from being created in the system. Click on the emergency contact's name to review existing information.

1. Demographics
 - Review the name, date of birth, and gender of the emergency contact. Answer the question regarding if this contact speaks English.
 - If this person is no longer an emergency contact, mark the checkbox stating they are no longer an authorized contact for any students in the family. Click OK to confirm.
 - Click next to continue.
2. Contact Information
 - At least one phone number is required. If this emergency contact is a current parent/guardian of a DMPS student, their information will be shown in gray and you will not be allowed to change any existing contact numbers. That parent/guardian is responsible for updating their information in the database and should do so in their own online registration application.
 - Click next to continue.
3. Verification
 - Entering an address is optional.
 - Click save/continue.

If you would like to authorize another emergency contact for this family, click on the blue add new emergency contact button. In the event of an emergency, if a parent/guardian cannot be contacted, you are granting permission to the people listed here to be called by the school, and granting the school permission to release your child to these contacts. Once all emergency contacts have been reviewed and entered, click the save/continue button.

Other Household Members

Do not include students you are registering for school in this section. Do not include DMPS students who live with you part-time as a secondary household, as these students will be included in their primary household's registration. Other household members are dependents in the primary household including younger siblings not of school age or older siblings not attending school. If any other household members are listed, click on their name (or the edit review button) to begin. If you do not have any other household members, simply click save/continue to continue to the next section.

1. Demographics
 - If you wish to enroll this other household member as a student, please stop here. You must contact the Welcome Center at 242.7371. Failure to do this may result in the need to re-do the entire online registration process.
