

Booking a Conference

1. Go to the Goodrell school website: <http://www.goodrell.dmschools.org>. Look for the “Goodrell@Home” page. In the drop-down menu, click on “Classrooms.”

2. Click on your student’s grade page from the menu on the left-hand side.

3. How to sign up depends on each teacher. The dates and times available will be listed under the teacher's name. Teachers will have it one of two ways:
- A. Some will have direct links to the Teams meetings where you will wait in the lobby until your student's teacher lets you in to begin the conference (similar to how virtual classes work).

Bill Flesch

Individuals & Societies/Science

E: william.flesch@dmschools.org

I have been teaching at Goodrell since 1989 and have loved every minute of it. To me, science is a verb not a noun. I believe kids should be actively engaged in class and I hope to provide that for your child. I love to be outdoors either hunting, fishing, bbq'in, or camping. I have triplets that were born in 1996 and a wonderful wife who retired from DMPS. I look forward to a great experience with your son or daughter!!
